

Hello!

I'm Brittney, creator of Games 4 Gains. I've been working in various roles in education - from classroom teacher to teacher trainer to curriculum developer - for the past 15 years. My passion is creating engaging games and resources that save teachers time and that get all students excited to learn.

I can't wait for you to try this resource with your students. I truly hope that you find it to be a helpful (and fun!) addition to your classroom.

Sincerely,
Brittney

P.S. If you have any questions or comments, feel free to email me directly at brittney@games4gains.com.

Place Value Yahtzee Score Card

Category	3-digit number
Number with 3 in the hundreds place	
Number with 5 in the ones place	
Number with 2 in the tens place	
Number whose tens and hundreds digits add up to 6	
Number whose hundred and ones digits add up to 9	
Number whose digits add up to 11	
Number with two of the same digits	
Number with three of the same digits	
WILD! Any number can be written here.	

If you are unable to fill in a number for any category at the end of your turn, place an X beside any available category. At the end of the game, compare the number you wrote in each category with the number your opponent wrote. If you wrote the greater number for that category, circle it and give yourself 1 point.

NO-PREP GAMES FOR EVERY SKILL!

This collage features six different math games for 5th grade. Each game includes a title, a brief description of the objective, and a visual representation of the game board or materials. The games are: Four-in-a-Row (multiplication), Roll a Row (multiplication), Squares (number recognition), Tic-Tac-Toe (number recognition), Race to the Finish (comparing numbers), and Round the Block Bump (number recognition).

★★★★★ Over 100,000 5-star reviews

"I very rarely leave reviews on products purchased on TPT, but this one is too good not to boast about! The games **match the standards perfectly** and are **very engaging** to my students. They are extremely **easy to manage** and are **challenging** enough for all students! Great product and HIGHLY recommended."
